

# Destiny

Avant

La-da-da, la-da-da-da come on baby  
La-da-da-da, oh yeah

I like the way you talk to me  
Your words are as sweet as gold  
And if you were ever to leave my world  
My life would seem so cold  
And I know you have someone  
And I'll be patient  
Cause one day you will be mine  
Take your time yeah

I like the thoughts you're giving me  
Cause you're my destiny  
One day I'll hold you in my arms  
And you will you'll give it to me  
I like the thoughts you're giving me  
Cause you're my destiny, yeah  
I really want you

Girl every time I see your face  
It feels like a sunny day  
And if you wanted to be with me  
I won't let you get away, yea, yeah  
Cause I know something's going on  
But you don't have to hold on  
Cause I wanna be with you  
Do you want me to?

You know a woman like you is all I ever wanted  
(Some girl like you)  
Out of all the riches in the world (Baby)  
I want you to be my girl

I like the thoughts you're giving me  
Cause you're my destiny  
One day I'll hold you in my arms  
And you will you'll give it to me  
I like the thoughts you're giving me  
Cause you're my destiny, yeah  
I really want you

I like the thoughts you're giving me  
Cause you're my destiny  
One day I'll hold you in my arms  
And you will you'll give it to me  
I like the thoughts you're giving me  
Cause you're my destiny, yeah  
I really want you

Oh yeah  
I will run to the end of the world  
Only for you baby  
This I'll do  
I will run to the end of the world  
For you girl  
You're all I want, and I need

I like the thoughts you're giving me  
Cause you're my destiny  
One day I'll hold you in my arms  
And you will you'll give it to me  
I like the thoughts you're giving me  
Cause you're my destiny, yeah  
I really want you
