

## Makin' Good Love

Avant

I got your legs spread all over the bed  
hands clenched in the sheets  
hair wild as hell I know  
the only thing on your mind is sex in me  
girl I can feel your temperature rising  
you should feel my nature too  
come on it's gonna be a bumpy ride  
girl lets do what we came to do

Girl when we make love all night  
when we make good love all night  
when we make love all night  
we really make love  
girl when we make love all night  
when we make good love all night  
when we make love all night  
we really make love (come to daddy baby)

On the balcony gripping the rails  
slowly I'm pulling you near  
sayin shhhh babe dont make to much noise  
there's a lot of peoples who live around here  
emotions running high  
my hands planted on your thighs  
you feel me going up and down  
and round and round and round

Girl when we make love all night  
when we make good love all night  
when we make love all night  
we really make love  
girl when we make love all night  
when we make good love all night  
when we make love all night  
we really make love (come to daddy baby)

in your drive way in the backseat  
windows tinted its getting deep  
fog all over the glass  
I dont know how long i can last  
with you moaning crazy  
girl keep on calling me  
I'll take you to exctasy  
and when im done you'll be fast asleep

Girl when we make love all night  
when we make good love all night

when we make love all night  
we really make love (come to daddy baby)
