

## Mr. Dream

Avant

You and I  
Such a pair  
If you would stop, stop running from whats real  
You call them dreams  
But they can hear you  
Searching for love when it's standing right here

Why would you choose to reach out your hand  
All those empty promises  
You should understand  
That you deserve better than

I'm the only one that really loves you baby  
Why you wanna take it all away  
Cause you steady chasin' after Mr. Dream  
I'm the only one that really loves you baby  
Can't you feel me running through your veins  
Cause you steady chasin' after Mr. Dream

Come over here girl  
He can't love you girl  
Come over here girl  
If he don't want to love you girl

Look at you  
Pulling your hair out  
Losing sleep  
Cause he never comes through  
When I think it  
But you don't acknowledge  
I read your mind  
I know you're better than you do

Why would you choose  
To reach out your hands  
All those empty promises  
You should understand  
You deserve better than

I'm the only one that really loves you baby  
Why you wanna take it all away  
Cause you steady chasin' after Mr. Dream  
I'm the only one that really loves you baby  
Can't you feel me running through your veins  
But you steady chasin' after Mr. Dream

I wish that we could fly away  
Take you from your misery (from your misery)  
Girl I read your story (and it says)  
Wanna dance under the sun  
But you're chasin after the wrong one

I'm the only one that really loves you baby (he can't love you like I love you)  
Why you wanna take it all away (no)  
Cause you steady chasin' after Mr. Dream (no, no)  
I'm the only one that really loves you baby (only one that loves you baby)

Can't you feel me running through your veins (can't you feel me)  
But you steady chasin' after Mr. Dream  
(He can't love you, like I love you)  
I'm the only one that really loves you baby  
Why you wanna take it all away (he can't love you)  
Cause you steady chasin' after Mr. Dream (chasin' after Mr. Dream)  
I'm the only one that really loves you baby (I'm your reality)  
Can't you feel me running through your veins (he's just your fantasy babe)  
Cause you steady chasin' after Mr. Dream

Come over here girl  
He can't love you girl  
Come over here girl  
If he don't want to love you girl

Come over here girl  
He can't love you girl  
Come over here girl  
If he don't want to love you girl
