On the road, last shows and me is
Temptations grow, keeping uneven
Aksing myself if I'll live without you (without you)
At times I feel, thinking bout you cheating
Baby, let's be real, you're the only one I'm meeting
If you wanna know
If I'll live without you
Baby, the answer is...
Noooooo
See I don't wanna...
G0000000
Baby I just need you...
Oooohhhh
Can I live without you, without you?
The answer is...
N0000000
See I don't wanna...
G0000000
Baby I just need you...
Oooohhhh
Can I live without you, without you? Yea
Like a song without a hook, no meaning
Like the world without the chance of dreaming
That's how I feel (That's how I feel)
When I'm without you (without you)
I need you here, in my arms forever
Sounding sealed into the twelve but never
You need to know
Can I live without you?
Baby, the answer is...
Noooooo
See I don't wanna...
G0000000
Baby I just need you...
Oooohhhh
Can I live without you, without you?
The answer is...
Noooooo

G0000000

Can I live without you, without you? Yea
See all that I'm aimin for, baby is you
Nothing could take you when we have, so I really swear
If we ever part
You'll always be in my heart
The answer is...
