

## Buried Alive

## Avenged Sevenfold

Take the time just to listen  
When the voices screaming are much too loud,  
Take a look in the distance,  
Try and see it all,  
Chances are that ya might find,  
That we share a common discomfort now  
I feel I'm walking a fine line  
Tell me only if it's real

Still I'm on my way,  
On and on it goes,  
Vacant hope to take

Hey - I can't live in here for another day  
Darkness has kept the light concealed  
Grim as ever  
Hold on to faith as I dig another grave  
Meanwhile the mice endure the wheel  
Real as ever  
And it seems I've been buried alive

I walk the fields through the fire,  
Taking steps until I found solid ground  
Followed dreams reaching higher  
Couldn't survive the fall  
Much has changed since the last time  
And I feel a little less certain now  
You know I jumped at the first sign  
Tell me only if it's real  
Memories seem to fade  
On and on it goes  
Wash my view away

Hey - I can't live in here for another day  
Darkness has kept the light concealed  
Grim as ever  
Hold on to faith as I dig another grave  
Meanwhile the mice endure the wheel  
Real as ever  
And I'm chained like a slave, trapped in the dark  
Slammed all the locks, death calls my name  
And it seems I've been buried alive

Take you down now, burn it all out  
Throw you all around, get your fuckin'  
HANDS OFF ME!  
What's it feel like? Took the wrong route  
Watch it fall apart now you're knockin' AT THE WRONG GATE!  
For you to pay the toll, a price for you alone  
The only deal you'll find, I'll gladly take your soul

While it seems sick, sober up quick  
Psycho lunatic crushing you with  
HANDS OF FATE!  
Shame to find out, when it's too late  
But you're all the same  
Trapped inside INFERNO AWAITS!

Evil thoughts can hide, I'll help release the mind  
I'll peel away the skin, release the dark within

This is now your life  
Strike you from the light  
This is now your life  
Die, buried alive  
This is now your life (what's it feel like)  
Strike you from the light (let me take in your soul)  
This is now your life (what's it feel like)  
Die, buried alive (let me take in your soul)  
This is now your life  
Die, buried alive!
