

## Flash of the Blade

Avenged Sevenfold

As a young boy chasing Dragons  
with your wooden sword so mighty,  
You're St. George or you're David and you always  
killed the beast  
Times change very quickly  
And you had to grow up early  
A house in smoking ruins and the bodies at your feet

You'll die as you lived  
In a flash of the blade  
In corner forgotten away  
You lived for the touch  
For the feel of the steel  
One man, in his Honour.

The smell of resined leather  
The sticky iron mask  
As you cut and thrust and parried at the  
fencing master's call  
He taught you all he ever knew  
To fear no mortal man  
And now you'll reach your vengeance in the  
Screams of evil man.

You'll die as you lived  
In a flash of the blade  
In corner forgotten away  
You lived for the touch  
For the feel of the steel  
One man, in his Honour.

You'll die as you lived  
In a flash of the blade  
In corner forgotten away  
You lived for the touch  
For the feel of the steel  
One man, in his Honour.
