

## Seize the Day (Live in Seattle)

Avenged Sevenfold

Seize the day  
or die regretting the time you lost.  
It's empty and cold without you here,  
too many people to ache over.

I see my vision burn,  
I feel my memories fade with time.  
But I'm too young to worry.  
These streets we traveled on  
will undergo our same lost past.

I found you here,  
now please just stay for a while.  
I can move on with you around.  
I hand you my mortal life, but will it be forever?  
I'll do anything for a smile,  
holding you 'til our time is done.  
We both know the day will come,  
but I don't want to leave you.

I see my vision burn,  
I feel my memories fade with time.  
But I'm too young to worry.  
(A melody, a memory, or just one picture.)

Seize the day  
or die regretting the time you lost.  
It's empty and cold without you here,  
too many people to ache over.

Newborn life replacing all of us,  
changing this fable we live in.  
No longer needed here so where do we go?  
Will you take a journey tonight,  
follow me past the walls of death?  
But girl, what if there is no eternal life?

I see my vision burn,  
I feel my memories fade with time.  
But I'm too young to worry.  
(A melody, a memory, or just one picture.)

Seize the day  
or die regretting the time you lost.  
It's empty and cold without you here,  
too many people to ache over.  
Trials in life,  
questions of us existing here.  
Don't wanna die alone without you here.  
Please tell me what we have is real.

(guitar solo)

So what if I never hold you, yeah,  
or kiss your lips again?  
So I never want to leave you  
and the memories of us to see.

I beg don't leave me.

Seize the day  
or die regretting the time you lost.  
It's empty and cold without you here,  
too many people to ache over.  
Trials in life,  
questions of us existing here.  
Don't wanna die alone without you here.  
Please tell me what we have is real.

(Silence, you lost me - no chance for one more day)  
(Silence, you lost me - no chance for one more day)  
(I stand here alone  
Falling away from you, no chance to get back home)  
(I stand here alone  
Falling away from you, no chance to get back home)

(Silence, you lost me - no chance for one more day)
