

So Far Away

Avenged Sevenfold

Never been for anything
Never chained but never free
I lied to heal the broken love
With all that it could

Live the life so endlessly
Saw beyond what others see
I tried to heal your broken heart
With all that I could

Will you stay
Will you stay away forever?

How do I live without the ones I love?
Time still turns the pages of the book, it's burnt
Facing times always on my mind
I have so much to say but you're so far away

Means a war of futures hold
Foolish lies of grown and old
And seems we're so invincible
The truth is so cold

A final song, a last request
A perfect chapter laid to rest
Now and then I try to find
The place in my mind

Where you can stay?
You can stay awake forever!

How do I live without the ones I love?
Time still turns the pages of the book, it's burnt
Facing times always on my mind
I have so much to say but you're so far away

Sleep tight
I'm not on pray
The ones that we love are here with me
Lay away
A place for me
'Cause as soon as I'm done
I'll be on my way
To live eternally

How do I live without the ones I love?
Time still turns the pages of the book, it's burnt
Facing times always on my mind
And the light you let remains
But it so hard to stay
And I have so much to say and you're so far away

I love you
You were ready
The pain stroke in dark spines

But I see you
An it lets me
Your pain is gone on hands of time

So far away (And I need you to know)
So far away (And I need you to need you to know)
