

# Strength Of The World

Avenged Sevenfold

My story starts the day they said "she can't be found"  
The news so dark, heart stopped,  
I stood silent without a sound  
It's over, she's finished,  
mother lies with my father and sister too  
Cold-blooded, they suffered,  
shot down by the outlaws after you  
Sorrow swallows my screams

Strength of the world - is on my shoulders  
Strength of the world - is on my side  
Strength of the world - the one true beholder  
Ice in my veins - for those who've died

I've seen my family fade away,  
you've taken my whole life  
There's nothing left to say

Avenge the dead kill all who cross me in my path  
Suicidal, I never planned on coming back  
I want it, I need it, revenge is dripping from my teeth  
Need nothin', to feel power, and bring the killers to their knees  
Nothin' ta lose vengeance ta gain (you know I'll never be the same)  
So taste my breath I'm close behind you (so desperate on your final day)  
Sorrow, swallows my screams

Strength of the world - is on my shoulders  
Strength of the world - is on my side  
Strength of the world - the one true beholder  
Ice in my veins - for those who've died

I've seen my family fade away,  
you've taken my whole life  
There's nothing left to say

Sitting in silence with heaven above me  
I prayed every night by their graves  
While I thirst for closure I feel it grow longer  
I can't turn my cheek away  
I stand before you,  
I'll sin when I have to  
But now I leave your side,  
to avenge my family's pride

I've seen my family fade away,  
you've taken my whole life  
There's nothing left to say

Strength of the world - is on my shoulders  
Strength of the world - is on my side  
Strength of the world - the one true beholder  
Ice in my veins - for those who've died

So far forever now alone,  
a greater punishment on me has been imposed  
A killer falling from the light,  
I miss my family, I'll never be alright

That's all she wrote
