

# Volvió La Traicionera

Aventura

Ya volvio la cualquiera  
Traicionera mujer zuela  
La que me causo la pena  
Que cambio mi vida entera  
Que no me dirija una palabra  
Porque respondo de mi  
Esto no se trata de machismo  
Una dama y una diabla no es lo mismo  
Bendita sean todas solo por haber nacido mujer  
Pero a la mier.. las mando si son infiel  
Cuidadito si cuentas la historia como no es  
por bandida te bote

Don't come around here 'cause it's over  
You took me for granted and that was wrong  
You know me well, don't test my knowledge  
No chance go,go.(2x)

No vuelvas aqui traicionera  
Mentirosa  
Is't over girl  
Go,go  
She won't forget Romeo  
Aventura

Don't come around here 'cause it's over  
You took me for granted and that was wrong  
You know me well, don't test my knowledge  
No chance go,go.(2x)

Que lo que tu te crees  
Bandida  
It's over  
Go,go

Dile al pueblo, cuentale la historia  
La verdadera version  
Que jugaste con mis sentimientos  
Admite tu error  
En tu barrio saben que me fuiste infiel  
Se comenta tu traicion  
Un dia mi padre me lo dijo  
Y hoy le doy la razon  
El que cree en mujeres cree en el diablo  
No se equivoco  
No me exijas mas oportunidades

Sorry my love  
You did me wrong

Don't come around here 'cause it's over  
You took me for granted and that was wrong  
You know me well, don't test my knowledge  
No more chance go,go.

Don't come around here 'cause it's over  
You took me for granted and that was wrong

You know me well, don't test my knowledge  
Se acabo go,go
