

Cloudy

Average White Band

Cloudy,
It used to be so easy just to love you
Now babe,
You seem to have a million problems on your mind
At the one time
Cloudy, don't you drift away, no,
Cloudy, don't you drift away
Said I feel like I'm loosin' you
Slowly but surely,
Oh babe, oh babe
Maybe
I could be the one to help you
Solve all those things,
Just try,
All you have to do is
Open that door
What are you waiting for?
Cloudy, don't you drift away, no, baby,
Cloudy, don't you drift away
Said I feel like I'm loosin' you
Slowly but surely,
Oh babe, oh babe, yeah.
Whatcha tryin' to prove by turnin' me away
You're killin' my love
Oh oh oh oh
What we had.
Is it really dead?
is it really dead?
Cloudy, don't you drift away,
Cloudy, don't you drift away,
Said I feel like I'm loosin' you
Slowly but surely,
Oh babe, oh babe.
