Groovin' The Night Away

Average White Band

We didn't come around here to sit around and mope, no no We didn't come around here to sit like this and lookin' bored We came down here to party That's what we're gonna do Groovin' the night away Groovin' the night away I know that times are tough But it ain't here, not tonight, no no Get up off your backside Got to d it right Let's roll up the carpet Time to get down Groovin' the night away Groovin' the night away Now that we got started Let's keep keepin' on till dawn I won't stop until I drop Got to get it on We came down here to party That's what we're goin' do Groovin' the night away Groovin' the night away
