

### 3 Umbrellas

Avey Tare

It's not about us holding hands  
I don't have to be on top of your plans?  
Tucked beneath them I'm showing my teeth  
And I could say I love you  
I'm hiding beneath my dark  
green umbrellas

Can we talk about the funny things  
When we're hanging out the heavy mist leaves  
It's how it should be, you like all my songs  
And we're all just like brothers  
You see me beneath my dark  
green umbrellas

And we're laughing at this lover's scene  
And we're laughing at the older brothers  
I've hiding under green umbrellas  
I've been hiding under green umbrellas

View other people lie like fools  
I wonder if they feel like we do  
We're always teasing, and I can't imagine  
If I didn't know you  
I don't take for granted my  
Three umbrellas

And if you don't wanna talk, let's sing  
that it's been about us finding new things  
that's always pleasing to share with some people  
but they'll never know you  
or just how I feel about your  
Three umbrellas

And we're laughing at the lover's flings  
they we're laughing at the older brothers  
I've been hiding under green umbrellas  
I've been hiding under green umbrellas

And it soften my heart when you walk?

And we're laughing at the lover's flings  
they we're laughing at the older brothers  
I've been hiding under green umbrellas  
I've been hiding under green umbrellas
