

## Melody

Aviators

Listen to the sound of voices  
In the distance calling  
Listen to the noise around us  
It's the raindrops falling  
It's the wind in the trees  
Inspiration flowing free  
It's something I can't control  
It's a light in the dark  
It's a gift, it's an art  
It's the music in my soul

I'm breathing again  
I'm taking it in  
Because you can't take the music from me  
I refuse to pretend  
I won't let this end  
You can't take the melody

There's a divide between melody  
And sounds only some can hear  
A song, a mysterious force  
Yet it's never feared  
An unexplainable thought  
A shout from those who were lost  
A call from the brokenhearted  
A projection of the mind  
But I'm not wasting time  
I'm only just getting started
