

# The Fear Of Flight

Aviators

Memories

Of them making fun of me  
I don't want to feel their ridicule again  
But I'll overcome  
The worry of disappointing everyone  
I'll fly fearlessly through the wind

I'll take to the skies, spread my wings and soar  
I refuse to let my fear of failure control me anymore  
Flying faster, soaring through  
Knowing I have nothing to lose  
I'm doing what I know is right  
I'm conquering the fear of flight

Flying through  
The wind and I know what to do  
I have to overcome the doubt filling my mind  
So here I go  
I have my friends cheering below  
And I'll throw uncertainty aside as I leave the ground

I'll take to the skies, spread my wings and soar  
I refuse to let my fear of failure control me anymore  
Flying faster, soaring through  
Knowing I have nothing to lose  
I'm doing what I know is right  
I'm conquering the fear of flight

Back for more  
I will soar  
Not fearing failure anymore  
Flying high  
Through the sky  
Feeling so alive  
Not ashamed  
I'm making a change  
Feeling the wind in my mane  
Flying high  
Do or die  
I'm conquering the fear of flight

I'll take to the skies, spread my wings and soar  
I refuse to let my fear of failure control me anymore  
Flying faster, soaring through  
Knowing I have nothing to lose  
I'm doing what I know is right  
I'm conquering the fear of flight
