

# This Is Not The End

Aviators

It feels like it's been forever  
Since you told me our time wasn't going to last  
And now I'm wishing I could save you  
From your sickness now, and whatever comes to pass

No, this is not the end  
It's the beginning of our story  
Tales of wonder and of glory  
Where we would save the world again  
Do you remember when  
We fought the monsters all away  
Now here we are today  
And I won't let our story end

I've been counting days we have left  
And at this point it's twenty-four at best  
So I'm going to make the last the greatest  
Let's live our own adventure for the rest

No, this is not the end  
It's the beginning of our story  
Tales of wonder and of glory  
Where we would save the world again  
Do you remember when  
We fought the monsters all away  
Now here we are today  
And I won't let our story end

I guess our fairytale is over  
Because I'm watching you slowly fade away  
It's like an angel's here to take you now  
Because I'm feeling something dark about this day  
But I won't let go  
I'll make these last few hours memories  
No I won't let go  
Our chapter isn't closing yet it seems

No, this is not the end  
It's the beginning of our story  
Tales of wonder and of glory  
Where we would save the world again  
Do you remember when  
We fought the monsters all away  
Now here we are today  
And I won't let our story end

So I guess this is the end  
But I'll remember you forever  
And in my heart we'll be together  
You will always be my friend  
I'll still think of you when  
I need a hand upon my shoulder  
Because I know it isn't over  
Someday I'll see you again....
