

## Fade Into Darkness

Avicii

Looking up there's only sky  
Rest your head I'll take you high  
And we won't fade into darkness  
Won't let you fade into darkness  
Where were we now  
You'll be safe

Hold my hand, just in case  
And we won't fade into darkness  
Fade into darkness  
No we won't fade into darkness  
Fade into darkness

Fade into darkness  
Fade into darkness  
Fade into darkness  
Fade into darkness
