

# Heart Upon My Sleeve

Avicii

With my heart upon my sleeve  
I head down low  
I still feel broken

Down upon my knees  
With my head down low  
I still feel broken

Where are you?  
Where are you?  
I'm lost and I need you more than  
A heart upon my sleeve, broken down

With my heart upon my sleeve  
I head down low  
I still feel broken

Down upon my knees  
With my head down low  
I still feel broken

Where are you?  
Where are you?  
I'm lost and I need you more than  
A heart upon my sleeve, broken down

Down, down, down
