I Could Be the One

Do you think about me when you're all alone? The things we used to do we used to be I could be the one to make you feel that way I could be the one to set you free

Do you think about me when the crowd is gone? It used to be so easy, you and me I could be the one to make you feel that way I could be the one to set you free

I could be the one to make you feel that way I could be the one to set you free I could be the one to make you feel that way I could be the one to set you free

When you need a way to beat the pressure down When you need to find a way to breathe I could be the one to make you feel that way I could be the one to set you free

If you need to see me when the crowd is gone It used to be so easy can't you see? I could be the one to make you feel that way I could be the one to set you free

I could be the one to make you feel that way I could be the one to set you free I could be the one to make you feel that way I could be the one to set you free

I could be the one to make you feel that way I could be the one to set you free I could be the one to make you feel that way I could be the one to set you free
