

Shame on Me

Avicii

Shame on me for loving you
Can't deny that you been untrue
Lie so sweet but you loving me
Put that fire out with gasoline
Ah Da da da dada
Yeaaa
How'd you find out I'm born again?
I'm reach out to the better man
Crazy little bitch we would both agree
Shame on you for loving me.
Yeaaa uhh

All my life
(That's what I get for loving you)
Lie! Lie! Lie!
(No I can't live without you)
Why? Why? Why?
(And all those things you put me through)
Why Lie Lie?
(Cuz I get my kicks without you)

Shame on me for loving you
Can't deny that you been untrue
Lie so sweet but you loving me
Put that fire out with gasoline
Ah Da da da dada
Yeaaa
How'd you find out I'm born again?
