

# Without You

Avicii

You said that we would always be  
Without you I feel lost at sea  
Through the darkness you'd hide with me  
Like the wind we'd be wild and free

You  
Said you'd follow me anywhere  
But your eyes  
Tell me you won't be there

I got to learn how to love without you  
I got to carry my cross without you  
Stuck in the middle and i'm just about to  
Figure it out without you  
And I'm done sitting home without you  
Fuck I'm going out without you  
I'm going to tear this city down without you  
I'm going Bonnie and Clyde without you

Now I'm running away my dear  
From myself and the truth I fear  
My heart is beating I can't see clear  
How I'm wishing that you were here

You  
Said you'd follow me anywhere  
But your eyes  
Tell me you won't be there

I got to learn how to love without you  
I got to carry my cross without you  
Stuck in the middle and i'm just about to  
Figure it out without you  
And I'm done sitting home without you  
Fuck I'm going out without you  
I'm going to tear this city down without you  
I'm going Bonnie and Clyde without you
