

# The Difference Between Us

Avion Roe

Standing beside myself in disbelief and I stop to imagine this  
life underneath it all new to the reason this consequence bring  
s I'm not calm I'm not honest you're not who I thought you'd be

Lie  
You'll always be with me a lie  
Lie  
You'll never forget me a lie  
Lie  
Stay safe the truth is that I  
Never made you feel alive

Into the window you locked up I climb and I stop to examine the  
love in our live it's all new to me and we are crossing the li  
nes I'm not cold but it's clear to me you're not who I thought  
you'd be

No.. No you're not  
No... Never made you feel alive  
Lie  
You'll always be with me a lie  
Lie  
You'll never forget me a lie  
Lie  
Stay safe the truth is that I  
Never made you feel alive

I'm not, you're not, we're not coming through  
I'm not, you're not, we're not coming through  
I'm not, you're not, we're not coming through

Standing beside myself in disbelief and I stop to imagine this  
life underneath it all new to the reason this consequence bring  
s I'm not calm I'm not honest you're not who I thought you'd be  
You're not who I thought you'd be  
You're not who I thought you'd be  
You're not who I thought you'd be
