

## It's Been So Long

Avishai Cohen

It's been so long  
Since I saw you I know  
But I often think of you though  
And I want you to know, I loved you

And I want you to know, I loved you

Don't go I'll miss you  
Stay more I need you too  
Before you go  
Let me hold and kiss you

Cause I loved you so, ah
