

# Everybody Hurts

Avril Lavigne

Don't know, don't know if I can do this on my own  
Why do you have to leave me?  
It seems I'm losing something deep inside of me  
Hold on, on to me

Now I see, now I see

Everybody hurts some days  
It's okay to be afraid  
Everybody hurts, everybody screams  
Everybody feels this way  
And it's okay, it's okay

It feels like nothing really matters anymore  
When you're gone, I can't breathe  
And I know you never meant to make me feel this way  
This can't be happening

Now I see, now I see

Everybody hurts some days  
It's okay to be afraid  
Everybody hurts, everybody screams  
Everybody feels this way  
And it's okay, it's okay

So many questions, so much on my mind  
So many answers I can't find  
Wish I could turn back the time  
I wonder why

Everybody hurts some days  
Everybody hurts some days

Everybody hurts some days  
It's okay to be afraid  
Everybody hurts, everybody screams  
Everybody feels this way  
And it's okay, it's okay, it's okay

Everybody hurts some days  
It's okay to be afraid  
Everybody hurts some days  
Yeah, we all feel pain

Everybody feels this way  
And it'll be okay  
Can't somebody take me away to a better place  
Everybody feels this way, it's okay

It's okay, it's okay  
It's okay, it's okay
