

# Everything Back but You

Avril Lavigne

1. Today was the worst day, I went through hell  
I wish I could remove it from my mind  
Two months away from you but I couldn't tell  
I thought that everything was gonna be just fine
2. The postcard that you wrote with a stupid little note  
Something wasn't quite right about it  
It smelt like cheap perfume and it didn't smell like you  
There is no way you can get around it  
Because you wrote

R: I wish you were her  
You left out the "E"  
You left without me  
And now you're somewhere out there with a  
bitch slut psycho babe  
I hate you why are guys so lame  
Everything I gave you I want everything back but you

3. My friends tried to tell me all along  
That you weren't the right one for me  
My friends tried to tell me to be strong  
I bet you didn't think that I would see
4. The postcard that you wrote with a stupid little note  
Something wasn't quite right about it  
I wanna see you cry like I did a thousand times  
Yeah you're losing me, you're losing me now  
Because you wrote

R:

5. The postcard that you wrote with a stupid little note  
Something wasn't quite right about it  
It smelt like cheap perfume and it didn't smell like you  
There is no way you can get around it  
Because you wrote
