Try to tell me what I shouldn't do You should know by now, I won't listen to you Walk around with my hands up in the air Cause I don't care

Cause I'm alright, I'm fine

Just freak out, let it go
I'm gonna live my life
I can't ever run and hide
I won't compromise
Cause I'll never know
I'm gonna close my eyes
I can't watch the time go by
I won't keep it inside
Freak out, let it go
Just freak out, let it go

You don't always have to do everything right Stand up for yourself And put up a fight walk around with your hands up in the air Like you don't care

Cause I'm alright, I'm fine

Just freak out, let it go
I'm gonna live my life
I can't ever run and hide
I won't compromise
Cause I'll never know
I'm gonna close my eyes
I can't watch the time go by
I won't keep it inside
Freak out, let it go

On my own
Let it go
Yeah, yeah, yeah

Just let me live my life
I can't ever run and hide
I won't compromise
Cause I'll never know
I'm gonna close my eyes
I can't watch the time go by
I won't keep it inside
Freak out, let it go

Gonna freak out, let it go Gonna freak out, let it go
