

# I Always Get What I Want

Avril Lavigne

Every now and then we all want somethin',  
Even if there's no way of gettin' it.  
If I stomp my feet quick that maybe be the way around it,  
Could I get myself around it.

Get me what I want,  
Everything I don't got  
So give me what I want  
Cause I'm a big shot

Don't wanna always have to be so nice  
Don't wanna hear you say well that's just life  
I'll drown you out when I open my mouth,  
And make my way around it.  
I always make my way around it.

Get me what I want,  
Everything I don't got.  
Give me what I want,  
Cause I'm a big shot.

So give me what I want,  
I always get what I want.  
You don't wanna see me when  
I don't get what I want;  
It's not what you want.

I'm not about to take no  
For answer; NO, if I tell  
You I can't I'm still gonna go.  
I did it all by myself and I found  
I found my way around it

Get me what I want,  
Everything I don't got.  
Give me what I want  
'Cause I'm a big shot.

So give me what I want,  
I always get what I want  
You don't wanna see me when  
I don't get what i want  
That's not what you want.

It's not too lovely,  
It could start to get ugly,  
It really bugs me, if  
If I don't get my way!

Get me what I want,  
Everything I don't got.  
So give me what I want,  
Cause I'm a big shot.

So give me what I want,  
I always get what I want.  
You don't wanna see me when

I don't get what I want;  
It's not what you want.  
If I don't get what I want;  
It's not what you want.
