

# I Can Do Better

Avril Lavigne

I couldn't give a damn what you said to me  
I don't really care what you think of me  
'Cause either way you're gonna think what you believe  
There's nothing you could say that would hurt me

I'm better off without you anyway  
I thought it would be hard but I'm okay  
I don't need you if you're gonna be that way  
'Cause with me, it's all or nothing

I'm sick of this shit, don't deny  
You're a waste of time  
I'm sick of this shit, don't ask why

I hate you now so go away from me  
You're gone, so long, I can do better, I can do better  
Hey, hey you, I found myself again  
That's why you're gone, I can do better, I can do better

You're so full of shit I can't stand  
The way you act I just can't comprehend  
I don't think that you can handle it  
I'm way over, over it

I will drink as much Lemoncello as I can  
And I'll do it again and again  
I don't really care what you have to say  
'Cause you know, you know you're nothing

I'm sick of your shit, don't deny  
You're a waste of time  
I'm sick of your shit, don't ask why

I hate you now so go away from me  
You're gone, so long, I can do better, I can do better  
Hey, hey you, I found myself again  
That's why you're gone, I can do better, I can do better

Whad'ya say, I told you so  
You know that 'cause I always know  
Get out my face, hey hey  
You're not my taste, hey hey

I am so sick of you  
You're on my nerves, I want to puke  
Get outta my face, hey hey  
You're not my taste, hey hey  
Hey, hey, hey, hey

I hate you now so go away from me  
You're gone, so long, I can do better, I can do better  
Hey, hey you, I found myself again  
That's why you're gone, I can do better, I can do better

I hate you now so go away from me  
You're gone, so long, I can do better, I can do better  
Hey, hey you, I found myself again

That's why you're gone, I can do better, I can do better
