I Don't Have to Try

Avril Lavigne

```
    I'm the one, I'm the one who knows the dance
    I'm the one, I'm the one who's got the prance
    I'm the one, I'm the one who wears the pants
    I wear the pants
    I'm the one who tells you what to do
    You're the one, you're the one if I let you
    I'm the one, I'm the one who wears the pants
    I wear the pants

    Hey you, follow me I'll take the lead
    Can't you see
    Don't you question me
    You just do what I say

P:  I don't care what you're saying
    I don't care what you're thinking
    I don't care about anything
    Get ready, motherfucker, 'cause I'm happening
    I don't care what you're saying
    I don't care what you're thinking
    I don't care about anything
    Get ready motherfucker cause I'm on the scene

R:  I don't have to try
    To make you realize
    Anything I wanna do, anything I'm gonna do
    Anything I wanna do I do
    And I don't have to try

    Don't you disagree
    Cause you know it's all about me
    Be at my beck and call
    I'm a know-it-all
    And it's all your fault

P:
R:  (2x)

    Don't have to try
