I Love You

Avril Lavigne

La I like your smile I like your vibe I like your style But that's not why I love you And I, I like the way You're such a star But that's not why I love you Hey Do you feel, do you feel me? Do you feel what I feel, too? Do you need, do you need me? Do you need me? You're so beautiful But that's not why I love you I'm not sure you know That the reason I love you is you Being you Just you Yeah the reason I love you is all that we've been through And that's why I love you La I like the way you misbehave When we get wasted But that's not why I love you And how you keep your cool When I am complicated But that's not why I love you Hey Do you feel, do you feel me? Do you feel what I feel, too? Do you need, do you need me? Do you need me? You're so beautiful But that's not why I love you And I'm not sure you know That the reason I love you is you Being you Just you Yeah the reason I love you is all that we've been through And that's why I love you Yeah - Oh. Oh.

Even though we didn't make it through I am always here for you Yeah, yeah, yeah You're so beautiful But that's not why I love you I'm not sure you know That the reason I love you is you Being you Just you Yeah the reason I love you is all that we've been through And that's why I love you La la La la la la (oh oh) La la La la la (That's why I love you) La la La la la la (oh oh) La la La la la (That's why I love you)
