

I'm with you

Avril Lavigne

I'm standing on the bridge
I'm waiting in the dark
I thought that you'd be here by now
There's nothing but the rain
No footsteps on the ground
I'm listening but there's no sound

Isn't anyone trying to find me
Won't somebody come take me home

It's a damn cold night
I try to figure out this life
Won't you take me by the hand take me somewhere new
I don't know who you are but I
I'm with you
I'm with you

I'm looking for a place
I'm searching for a face
Is anybody here I know
Cause nothing's going right
And everything's a mess
And no one likes to be alone

Isn't anyone trying to find me
Won't somebody come take me home

It's a damn cold night
I try to figure out this life
Won't you take me by the hand take me somewhere new
I don't know who you are but I
I'm with you
I'm with you, yeah yeah...

Oh, why is everything so confusing
Maybe I'm just out of my mind
Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah
Yeah huh

It's a damn cold night
I try to figure out this life
Won't you take me by the hand take me somewhere new
I don't know who you are but I
I'm with you
I'm with you

Take me by the hand take me somewhere new
I don't know who you are but I
I'm with you
I'm with you

Take me by the hand take me somewhere new
I don't know who you are but I
I'm with you
I'm with you

I'm with you
