

# Not Enough

Avril Lavigne

I'm sorry if this hurts you  
But I tried to keep what we had once I was wrong  
It wasn't keeping me awake

You didn't listen, you didn't hear me  
When I said I want more, I got no more  
You weren't stealing me away

It's not enough, it's not enough  
To give me what it is I want  
It's not enough, it's not enough  
To get me everything I need  
And I, I wish it was  
I think it's time to give this up

All the memories that we're losing  
All the time that I spent with you everyday  
I think it's running down the drain

I'm feeling that we're fading  
Don't make this as hard as you think it would be  
It's a lot easier than it seems, yeah

It's not enough, it's not enough  
To give me what it is I want  
It's not enough, it's not enough  
To get me everything I need  
And I, I wish it was  
I think it's time to give this up

And I can feel it falling down slowly, slowly  
I can see us starting to drown, can't stop it now  
I can see it burning out, so show me, show me  
How you gonna turn it around because

It's not enough, it's not enough  
To give me what it is I want  
It's not enough, it's not enough  
To get me everything I need

It's not enough, it's not enough  
To give me what it is I want  
It's not enough, it's not enough  
To get me everything I need  
And I, I wish it was  
I think it's time to give this up

It's not enough, it's not enough  
(To give me)  
It's not enough, it's not enough  
(What it is I want)  
It's not enough, it's not enough  
(To get me everything I need)

It's not enough, it's not enough  
(To give me)  
It's not enough, it's not enough

(What it is I want)  
It's not enough, it's not enough  
(To get me)
