One of Those Girls

Avril Lavigne

I know your kind of girl
You only care about one thing
Who you've seen or where you've been
Who's got money
I see that look in your eyes
It tells a million lies
But deep inside I know why
You're talking to him

I know what you're all about
I really hope he figures it out

She's one of those girls
Nothing but trouble
Just one look and now you're seeing double
Before you know it she'll be gone
Off to the next one
She's so good that you won't see it coming
She'll take you for a ride and you'll be left with nothing
You'll be broken, she'll be gone
Off the next one

Oh Oh, Oh Oh
Off to the next one
Oh Oh, Oh Oh

She's gonna be the end of you
At least that's what they say
It's been a while
You're in denial, and now it's too late
The way she looks, it makes you high
All the warning signs
Cause her blonde hair, her blue eyes
It makes you wanna die

I know what she's all about
I really hope you figure it out

She's one of those girls
Nothing but trouble
Just one look and now you're seeing double
Before you know it she'll be gone
Off to the next one
She's so good that you won't see it coming
She'll take you for a ride and you'll be left with nothing
You'll be broken, she'll be gone
Off to the next one

You know it's a game, you know it's a game
She keeps playing around with you head, playing around with you head
She's so insane, so insane
She's the one to blame, she's the one to blame

She's one of those girls
Nothing but trouble
Just one look and now you're seeing double
Before you know it she'll be gone

Off to the next one
She's so good that you won't see it coming
She'll take you for a ride and you'll be left with nothing
You'll be broken, she'll be gone
Off to the next one

Oh Oh, Oh Oh
Off to the next one
Oh Oh, Oh Oh
Off to the next one
