

# Rock N Roll

Avril Lavigne

Let 'em know that we're still rock n roll

I don't care about my make-up  
I like it better with my jeans all ripped up  
Don't know how to keep my mouth shut  
You say, "So what (what)?"

I don't care if I'm a misfit  
I like it better than the hipster bullshit  
I am the mother frickin' princess  
You still love it

Some some how - it's a little different when  
I'm with you  
You know what I really am  
All about  
You know how it really goes  
Oh, oh, oh, oh, yeah  
Some some way  
We'll be getting out of this  
Town one day  
You're the only one that I  
Want with me  
You know how the story goes

When it's you and me  
We don't need no one to tell us who to be  
We'll keep turning up the radio  
What if you and I  
Just put up a middle finger to the sky  
Let them know that we're still rock 'n roll

Rock 'n roll  
Hey hey hey  
Rock 'n roll  
Hey hey hey

Call it a bad attitude dude  
I'm never gonna to cover up that tattoo  
I might have a couple issues  
You say, "Me too" (yeah)  
Don't care about a reputation  
Must be living in the wrong generation  
This is your invitation  
Let's get wasted

Some some how - it's a little different when  
I'm with you  
You know what I really am  
All about  
You know how the story goes  
Oh, oh, oh

When it's you and me  
We don't need no one to tell us who to be  
We'll keep turning up the radio  
What if you and I

Just put up a middle finger to the sky  
Let them know that we're still rock 'n roll

Rock 'n roll  
Hey hey hey  
Rock 'n roll  
Hey hey hey  
Rock 'n roll, yeah

Oh, oh, oh, oh, yeah

When it's you and me  
We don't need no one to tell us who to be  
We'll keep turning up the radio

What if you and I  
Just put up a middle finger to the sky  
Let them know that we're still rock 'n roll

When it's you and me  
We don't need no one to tell us who to be  
We'll keep turning up the radio

What if you and I  
Just put up a middle finger to the sky  
Let them know that we're still rock 'n roll

Rock 'n roll  
Hey hey hey  
Rock 'n roll  
Hey hey hey
