- 1. I cannot find a way to describe it It's there inside; all I do is hide I wish that it would just go away What would you do, you do, if you knew What would you do
- R: All the pain I thought I knew
  All the thoughts lead back to you
  Back to what was never said
  Back and forth inside my head
  I can't handle this confusion
  I'm unable; come and take me away
- 2. I feel like I am all alone All by myself I need to get around this My words are cold, I don't want them to hurt you If I show you, I don't think you'd understand Cause no one understands

R:

I'm going nowhere (on and on and)
I'm getting nowhere (on and on and on)
Take me away
I'm going nowhere (on and off and off and on)
(and off and on)

R:

Take me away Break me away Take me away
