When You're Gone

Avril Lavigne

1. I always needed time on my own, I never thought I'd, need you there when I cry And the days feel like years when I'm alone, And the bed where you lied, Is made up on your side. R: When you walk away I count the steps that you take Do you see how much I need you right now? When you're gone, The pieces of my heart are missing you! When you're gone, The face I came to know is missing too! When you're gone, All the words I need to hear to always get me through the day... And make it OK... I miss you. 2. I've never felt this way before, Everything that I do, Reminds me of you. And the clothes you left, They lie on the floor, And they smell just like you, I love the things that you do! R: When you're gone, The pieces of my heart are missing you! When you're gone, The face I came to know is missing too! And when you're gone, The words I need to hear to always get me through the day... And make it OK... I miss you. We were made for each other, Out here forever, I know we were, Yeah Yeah! All I ever wanted was for you to know, Everything I do I give my heart and soul, I can hardly breathe I need to feel you here with me... Yeah! When you're gone, The pieces of my heart are missing you! When you're gone, The face I came to know is missing too! When you're gone, The words I need to hear will always get me through the day... And make it OK... I miss you!
