

# Who Knows

Avril Lavigne

Yeah, yeah  
Yeah-eah, yeah  
Yeah-eah, yeah

Why do you look so familiar  
I could swear that I have seen your face before

I think I like that you seem sincere  
I think I like to get to know you a little bit more

I think there's something more, life's worth living for  
Who knows what could happen.  
Do what you do, just keep on laughing  
One thing's true, there's always a brand new day  
I'm gonna live today like it's my last day

Yeah, yeah,  
Yeah-eah, yeah,  
Yeah-eah, yeah

How do you always have an opinion  
And how do you always find the best way to compromise  
We don't need to have a reason  
We don't need anything  
We're just wasting time

I think there's something more, life's worth living for  
Who knows what could happen.  
Do what you do, just keep on laughing  
One thing's true, there's always a brand new day  
Who knows what could happen.  
Do what you do, just keep on laughing  
One thing's true, there's always a brand new day  
I'm gonna live today like it's my last day

Find yourself, cause I can't find you  
Be yourself, who are you?  
Find yourself, cause I can't find you  
Be yourself, who are you?

Who knows what could happen.  
Do what you do, just keep on laughing  
One thing's true, there's always a brand new day

So you go and make it happen  
Do your best just keep on laughing  
I'm telling you, there's always a brand new day

Who knows what could happen.  
Do what you do, just keep on laughing  
One thing's true, there's always a brand new day  
I'm gonna live today like it's my last day
