

# Morgue Defilement

Avulsed

I Love Dissecting Dead Girl Bodies  
Their Naked Corpses Excite My Mind  
The Aroma Of Decomposition  
Is The Best Aphrodisiac You Can Find

With Forceps I Twist Her Nipples  
I Touch Them Thru My Rubber Gloves  
I Spread Her Legs Along The Table  
To Explore The Dank Genital Zone

Sinking Down My Fingers  
Into Her Cold Cunt  
It's Wet By Adipocere  
She's Ready To Fuck  
Then I Suck Her Fluids  
And Swallow The Pus

Sodomized With My Bistoury  
She's Starting To Gush  
Fornicate Her Bloody Corpse  
Gently Disembowelled  
Penetrate Her Intestines...  
Oh, Baby, I Will Cum!!

Aaaaahhhhh - Aaaaahhhhh

Festered Cavities I Rape  
Getting Pleasure On Decay  
She's A Really Obedient Girl  
She Does All The Things I Say

When I'm Gonna Kiss Her Face  
Mouldy, Emaciated And Pale  
A Dark Crimson Substance Drips  
From Her Swollen Purple Lips

Post Mortem Convulsions, Violent Spasms  
Because Of The Gases I Get An Orgasm

Obscene Masturbation, With Amputated Limbs  
A Severed Rotten Tongue Sucks My Dick

My Grisly Porno-Autopsy Ends  
Ejaculating On Her Corpse  
Hot Semen Over Her Remains  
Emetic Is My Way Of Love
