Avulsed

Searching Through The Gloomy Night  
An Innocent Young Student  
Mainly Girls, Mainly Gays  
They Are The Weakest Preys

Lurking In The Darkness  
Surprising Them From Behind  
A Hard Strike On The Head  
Snatching Their Consciousness

The Corpse Must Be Alive  
While He Takes It To His Home  
Then Bound To An Armchair  
Down In The Basement

Shaving The Head  
And Drawing Pattern Lines  
Right Over The Skin  
Where To Make The Cut

Opening The Skull  
Exposing His Brain  
The Victim Is Still Alive  
Shrieking In Pain

A Spoonful Of Grey Mass  
Sweet Lobotomy  
A Spoonful Of Grey Mass  
Sweet Lobotomy

Shaving The Head  
And Drawing Pattern Lines  
Right Over The Skin  
Where To Make The Cut

A Spoonful Of Grey Mass  
Sweet Lobotomy  
A Spoonful Of Grey Mass  
Sweet Lobotomy

It's His Debility, A Delicious Caprice  
Only Reserved To Privileged Minds

Every Neuron Must Be Alive  
Right From The Skull To His Mouth

All His Knowledge Will Be Increased  
Eating The Biggest Amount Of Brains
