Virtual Massacre

Avulsed

A perverse mind, with no remorse Frustrated boy, sexually repressed Confined into, his somber bedroom With a computer, and tons of games

Sheer violence, an obsession Potential murder, fake misanthrope Annihilation, of human race A fantasy, through the games

Blood everywhere No survivors With cruelty Killing them all

Virtual massacre Virtual massacre

A peaceful burger, riddled with bullets A football stadium, sprayed with napalm The underground filled, with lethal gas A supermarket, blown away

Blood everywhere No survivors With cruelty Killing them all

Virtual massacre Virtual massacre

Virtual massacre Virtual massacre

Nobody knows, his identity No need to worry, it is not real A virtual game, but after all He's got his hands, full of red blood
