

Soul Wars

AWOLNATION

Yeah!

1, 2, 3

Do you love me?

Watch me scream

Burning on the trees

In amazement

'Cause I'm on fire

You know?

4, 5, 6

Show ya all my tricks

Fee Fii Fo

A giant's at the door

In amazement

'Cause I'm on fire

Ooh (Ooh)

Ooh (Ooh)

'Cause I'm on fire

Can I get an amen

For all the bleeding and the prayin?

I had to struggle to be gracious

Now we can touch it

We can taste it

Can I get a little amen?

No more running from the hangman

Now I'm the pilot of this spaceship

So you can touch it

You can taste it

Taste the smoke

Taste the smoke

Taste the smoke

This is no joke

Fifteen years

Blood, sweat, and tears

And amazement

'Cause I'm on fire

It's a cruel, cruel world

For good boys and girls

A hot day in heaven,

5, 6, and 7

And amazement

'Cause I'm on fire

With no hope from the devil

Can I get an amen

For all the bleeding and the prayin?

I had to struggle to be gracious

Now we can touch it

We can taste it

Can I get a little amen?

No more running from the hangman
Now I'm the pilot of this spaceship
So you can touch it
You can taste it

It'll be OK, baby

Oo, Ha
Oo, Ha
Oo, Ha
Oo, Ha

We don't run, run, run
We don't run, run, run

Can I get an amen
For all the bleeding and the prayin?
I had to struggle to be gracious
Now we can touch it
We can taste it
Can I get a little amen?
No more running from the hangman
Now I'm the pilot of this spaceship
So you can touch it
You can taste it

We don't run, run, run
We don't run, run, run

Ah ahhhhahha
Ah ahhhhahha
Ah ahhhhahha
Ah ahhhhahha
