Bridges to Nowhere

Axel Rudi Pell

Walking around all the day, we're on our way Heard a misleading spell, from heaven or from hell

Oh, I'm losing my mind Oh, not sure what I'll find Hoping for peace of mind

We're searching for our destiny We're on the Bridges to Nowhere We're the masters of insanity On the Bridges to Nowhere

Silent cries in the darkness are left unheard The signs on the walls, all forgotten words

Oh, I'm losing my mind Oh, not sure what I'll find Hoping for peace of mind

We're searching for our destiny We're on the Bridges to Nowhere We're the masters of insanity On the Bridges to Nowhere

Oh, I'm losing my mind Oh, not sure what I'll find Hoping for peace of mind

We're searching for our destiny We're on the Bridges to Nowhere We're the masters of insanity On the Bridges to Nowhere

We're searching for our destiny We're on the Bridges to Nowhere We're the masters of insanity On the Bridges to Nowhere On the Bridges to Nowhere Oh, Bridges to Nowhere
