

# Eternal Prisoner

Axel Rudi Pell

I saw the shadow rising  
from a hill up down below  
there was no place  
for hiding  
still i didn't know  
where to go

I'd better be aware of  
the place of no return  
all i could hear was some-  
one saying "burn"

Eternal prisoner  
forever lost in space  
eternal prisoner  
forever locked in a cage

In the light of day  
you can hear  
the wizard pray  
and in the dark of night  
there was a rainbow  
shining bright

Eternal prisoner  
forever lost in space  
eternal prisoner  
forever locked in a cage

They never saw  
the light of day  
all they could do  
was wish and pray  
they were tortured  
to the bones  
with swords and  
glowing stones
