

# Ride the Bullet

Axel Rudi Pell

Gonna take u down,  
down 2 the floor,  
gonna make u wanna  
scream 4 more.  
take a look,  
a look in my direction.  
touch your body as you're  
feelin' my erection!

A s i burn in your desire,  
i can feel  
u takin' me higher.  
up down,  
fill u up with my love,  
(hey, hey, do u wanna ride  
the bullet!)  
in out til u can't  
get enough.

I'll be the best,  
the best u ever had,  
do it so good,  
i swear i'll drive u mad.  
lick your body like a cat  
with a bowl of cream  
when you're comin' up, ooh  
it's so obscene.  
yeah, u pump me 2 the wire,  
like a burnin' wheel of fire.  
grind u down til you're  
beggin' 4 reason  
(hey, hey, do u wanna ride  
the bullet!)  
taste my skin,  
it's that time of the season.
