Gonna take u down, down 2 the floor, gonna make u wanna scream 4 more. take a look, a look in my direction. touch your body as you're feelin' my erection!

As i burn in your desire, i can feel u takin' me higher. up down, fill u up with my love, (hey, hey, do u wanna ride the bullet!) in out til u can't get enough.

I'll be the best, the best u ever had, do it so good, i swear i'll drive u mad. lick your body like a cat with a bowl of cream when you're comin' up, ooh it's so obscene. yeah, u pump me 2 the wire, like a burnin' wheel of fire. grind u down til you're beggin' 4 reason (hey, hey, do u wanna ride the bullet!) taste my skin, it's that time of the season.
