Life is unreal, in the darkest dreams
we felt it all, a long time ago
can't find our way through silent screams
searching for the way to go
Too blind to realize
our way will lead through fire 'n ice
dreamings of paradise, prophecies of scary nights

Higher and higher, through the mist and snow through the fog, a long time to go out in the cold, but still feel the fire hearing echoes of darkest desires

On and on we travel through the danger zone on and on You're out on your own

In the valley of sin (sin, sin, sin) bad night to remember
Sin (sin, sin, sin)
they don't let you go
Valley of sin (sin, sin, sin)
bad nights to remember
Sin (sin, sin, sin)
Hear the siren's call

Masked fools are screaming, death is dancing in the dark Life without a soul is like a flame without a spark

The faces of doom told us all wrong whispering tales from the shadow zone up down the hill, in this full moon night warriors are waiting for the final fight
