

# Wheels Rolling On

Axel Rudi Pell

Round round wheels  
r turning!  
all your life,  
u been fighting 4 the day.  
2 take the spotlight,  
steal the thunder,  
no one's gonna take  
this time away.

I its's all part  
of the passion,  
goin' all the way.

WHEELS ROLLING ON,  
THEY KEEP ON TURNIN',  
WHEELS ROLLING ON,  
IT'S AN EVERLASTING ROAD  
THAT'S HERE 2 STAY

I its's your time,  
it's your destination,  
though u know that your  
back's against the wall.  
but the lights are calling',  
the night is screamin',  
now it's all 4 one  
one 4 all.

This night will last 4 ever,  
don't let it get away.  
wheels rolling on,  
the night is burnin',  
wheels rolling on,  
your heart is yearnin',
