

Victim of the System

AxeWound

Dead in your eyes
You'll be marked and buried
Countless past lives
You've been burnt at the stake

You can hear the screams from the darkness
Just counting the days till she dies
Praying for death

Never ending
With your plagues of the mind
Endless demons
You're just killing time just killing time
It'll never stop
It'll never quit
Till the day you're dead
Trapped in a mind like a prison cell
This living hell

You can hear the screams from the darkness
Just counting the days till she dies
Praying for death

You can hear the screams from the darkness
Just counting the days till she dies
Praying for death

Self-medicated
Numb the pain
Victim of the system

Victim of the system
Left to die
Victim of the system
Left to their own demise
