

# Freedom

## Axis of Justice

Hold on to this feelin', Freedom (Freedom!)

Yo, Seldom travel by the multitude  
The devil's gavel has a cup of food  
My culture's screwed cause this word is misconstrued  
Small countries exempt from food cause leader have different  
views  
You choose

What meen the world to me is bein' free  
Live and let live and just let it be (Let it be)  
Love peace and harmony, one universal family  
One God, one aim and one destiny

Are we there?  
Imagine life without a choice at all  
Given no hope without a voice at all  
These be the problems that we face  
I'm talkin' poverty in race  
But no matter what the case we gotta...

Yo, I'm the first candidate to hate  
Had to beat on the drum to communicate  
For what was to come to those who were hung  
They would decapitate the tongue if you would mention the word  
(Freedom)

Got people screamin' free Umi and Jamal  
But two out of three of ya'll will probably be at the mall  
I'm heated wit ya'll, been defeated before  
And complete an unsolved when the word freedom's involved

Yo, my forefathers hung in trees to be free (Rest in peace)  
Got rid of slavery but kept the penitentiary  
And now freedom got a shotgun and shells wit cha name  
Release the hot ones and let freedom ring

I'm the former vote prisoner  
Hollywood visitor  
Dance for cats segregated on wax  
My color got me HANDY-  
-CAP Anson andy  
For the freedom they just won't hand me

**\*\*Hold On\*\***  
Cause there's not a lot of time **\*\*To\*\***  
Your heart, body, soul and your mind **\*\*This\*\***  
They're so true and they been hurtin' so long **\*\*Feelin'\*\***  
Thats the reason why we named this song **\*\*Freedom\*\***
