

# More Than You Know

Axwell & Ingrosso

I just need to get it off my chest  
Yeah, more than you know  
Yeah, more than you know  
You should know that baby you're the best  
Yeah, more than you know  
Yeah, more than you know

I saw it coming, from miles away  
I better speak up if I got something to say  
'Cause it ain't over, until she sings  
You had your reasons, you had a few  
But you knew that I would go anywhere for you  
'Cause it ain't over, until she sings

I just need to get it off my chest  
Yeah, more than you know  
Yeah, more than you know  
You should know that baby you're the best  
Yeah, more than you know  
Yeah, more than you know

I just...  
I just...

Your good intentions are sweet and pure  
But they can never tame a fire like yours  
No it ain't over, until she sings  
Right where you wanted, down on my knees  
You got me begging, pretty baby set me free  
'Cause it ain't over, until she sings

Come a little closer, let me taste your smile  
Until the morning lights  
Ain't no going back the way you look tonight  
I see it in your eyes

I just need to get it off my chest  
Yeah, more than you know  
Yeah, more than you know  
You should know that baby you're the best  
Yeah, more than you know  
Yeah, more than you know

Yeah, more than you know  
Yeah, more than you know  
Yeah, more than you know  
Yeah, more than you know  
Yeah, more than you know  
Yeah, more than you know  
Yeah, more than you know  
Yeah, more than you know

I just...

I just need to get it off my chest  
Yeah, more than you know  
Yeah, more than you know

You should know that baby you're the best  
Yeah, more than you know  
Yeah, more than you know
